Becoming a Caring Ecclesia!

SUBJECT TO THE WILL OF OUR LORD

Issues of mental health, addiction, abuse and family problems can overwhelm us and we struggle to know what to do, yet these issues persist in our ecclesias. How do we support someone who confides in us? Where do we go for help? How do we make our ecclesias an environment of mutual support where those who are struggling are cared for? Come ready to listen and discuss how we can create a culture of caring in our ecclesias.
